## KEYNOTES

### A Transformative World

Choose to embrace and excel in today's world. Yvonne shares her vast knowledge and experience with organizations that have had the courage to embrace change and create profound results. A Transformative World will challenge the foundation with which we have walked for the last 100 years and takes you on a journey of discovery into a new world.

Transforming our corporate culture one leader at a time.

Discover:

- The New Energy Organization
- Commanding Structure
- The 4 Levels of Awareness
- Optimal Performance through Brain/Heart integration

### New World Leadership

Shifting from victim mentality to one of responsibility and accountability is key to today's world. Modeling personal accountability is the only way to transform our teams and organizations. Yvonne takes you through her unique Accountability Model sharing the profound results that occur when we challenge our thinking about performance management and leadership. Not for the faint of heart, this speech will challenge your basic thinking about structure, process and results. Counter intuitive, Yvonne shows the value of detaching from results and creating unstoppable organic influence.

Discover:

- Judge Judge Holds us all back
- The Power of Intention and why we miss the mark
- Detaching from Results in order to build accountability

### Inside OUT – The Shifting YOU!

Much of what Yvonne teaches was learned through the school of hard knocks. Facing rejection at all corners and losing heart, Yvonne went on a road of self-discovery. Learning to BE LOVE instead of Doing LOVE was her greatest lesson. Yvonne takes her audience on an adventure of self-discovery and gives everyone permission to simply BE LOVE!

Discover:

- Why a gift is a gift even if it has the ugliest wrapping paper
- There are no accidents only opportunities
- How to transform your story one day at a time through - care and understanding.
- Daily/weekly tools to becoming an intentional YOU.
